

Considering a Career in Emergency Medicine?

New Orleans

Join the Southeast Medical Student Symposium September 22, 2018 Ochsner Clinical School

- Get the inside scoop with tons of **residency interviewing tips**.
- Hear about opportunities in the field of EM from **program directors, keynote speakers and great hands-on workshops** telling you all YOU need to know.
- **Meet program directors and current residents face to face** - this is your chance to ask the important questions.
- **Membership is included in your registration!** When you register for the symposium (\$60) you also receive the option to include a one-year student membership for the 2018-19 year at no additional cost!
